

NOWART

Arnaud Rabier « NOWART » was born in 1968 in Blanc-Mesnil (93). He lives and works in Compiègne.

Nowart is a plastic artist and a videomaker. He comes from street art using graffiti. He takes part in many collective and multidisciplinary creations in urban environment.

He painted his first wall in 1985. He made his first video in 1991. Since those first artistic experiences, he is frequently exhibited in gallery for instance in Paris, New York, St Petersburg and Brussels.

The heart of his work is human. The values of the hip hop movement: Peace, Love, Unity, etc. constitute his governing principle.

Nowadays, his installations and public interventions are the fruits of different artistic researches (painting, sculpture, video, computer graphics 2D and 3D, writing, sound) and human experiences. They represent his desires about a theme.

H Gallery has the pleasure to represent a large serie of his personal work. It's based on his passions: graffiti, lettering, Cubism, art history.
